2022-2023 School Bus Registration for Southwestern Ontario Student Transportation Services

Bus registration for next school year is now open! To schedule bus service more effectively for students, Southwestern Ontario Student Transportation Services (STS) has an **annual mandatory transportation registration process for students who are eligible for bus service**. You must apply every year to use the school bus. This registration form does not apply to students who use specialized/accessible transportation to meet their unique needs.

To register before July 15th, click [2022- 2023 Bus Registration Form](#)

Know Your Student ID

Prior to registering, families should also make sure they know the Student ID number which is available by contacting the school office or in the school's Parent Portal, or in your STS Parent Portal.

Registration Due Date

Transportation Applications will be closed on July 15, 2022, so that routes can be finalized before the start of school. Families who register for the bus after July 15th may experience delays and transportation may not be in place for the start of school.

You don't need bus service next year?

No action is required. School bus service is a shared ride environment, with multiple students using the space over the course of the day. Some families may not wish to use bus service for personal reasons. **If you are not using bus service, you do not need to register.** We understand that your circumstances may change, if they do, please fill in a registration form at that time.
