

Thames Valley District School Board Arthur Ford P.S.

Our school is committed to providing all students with a safe, caring, and inclusive learning environment free from bullying and harassment that promotes respect, acceptance, and empathy.

Our staff, students, parents, and community will work together as a team to make our school safe and welcoming for everyone.

Safe and Inclusive School Plan

Ensuring Positive Learning Environments

This year we are focusing on building a positive, safe and inclusive community.

We are doing this to see an improvement in self regulation skills and the ability to solve conflicts with peers, which will improve overall student well being.

Throughout the year, we will be:

1. Focusing on how to solve conflicts in appropriate ways.
2. Teaching, modelling and reinforcing self regulation skills.
3. Acknowledging positive acts through our Firebird Values that build healthy relationships within the school community and beyond.

Community/Home Connections

Ask your child about the strategies they have learned to calm their body and try practising these at home.

Try discussing the difference between big problems and small problems at home with your child.

Check out this resource <https://kelsoschoice.com/free-resources/for-parents/> about strategies to help solve small problems.
